Dear FCC:

It was recommended that I get a wireless phone When my physically abusive ex began violating the No Contact restraining order I have against him. It is necessary for me to contact the police imeadiately each time he even speaks to me. I am on a fixed income and really cannot afford to have my rates raised. For the saftey of me and others like me please do not raise the charges.

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,

Theresa Norman
